# OUR PHILOSOPHIES

## Innovative

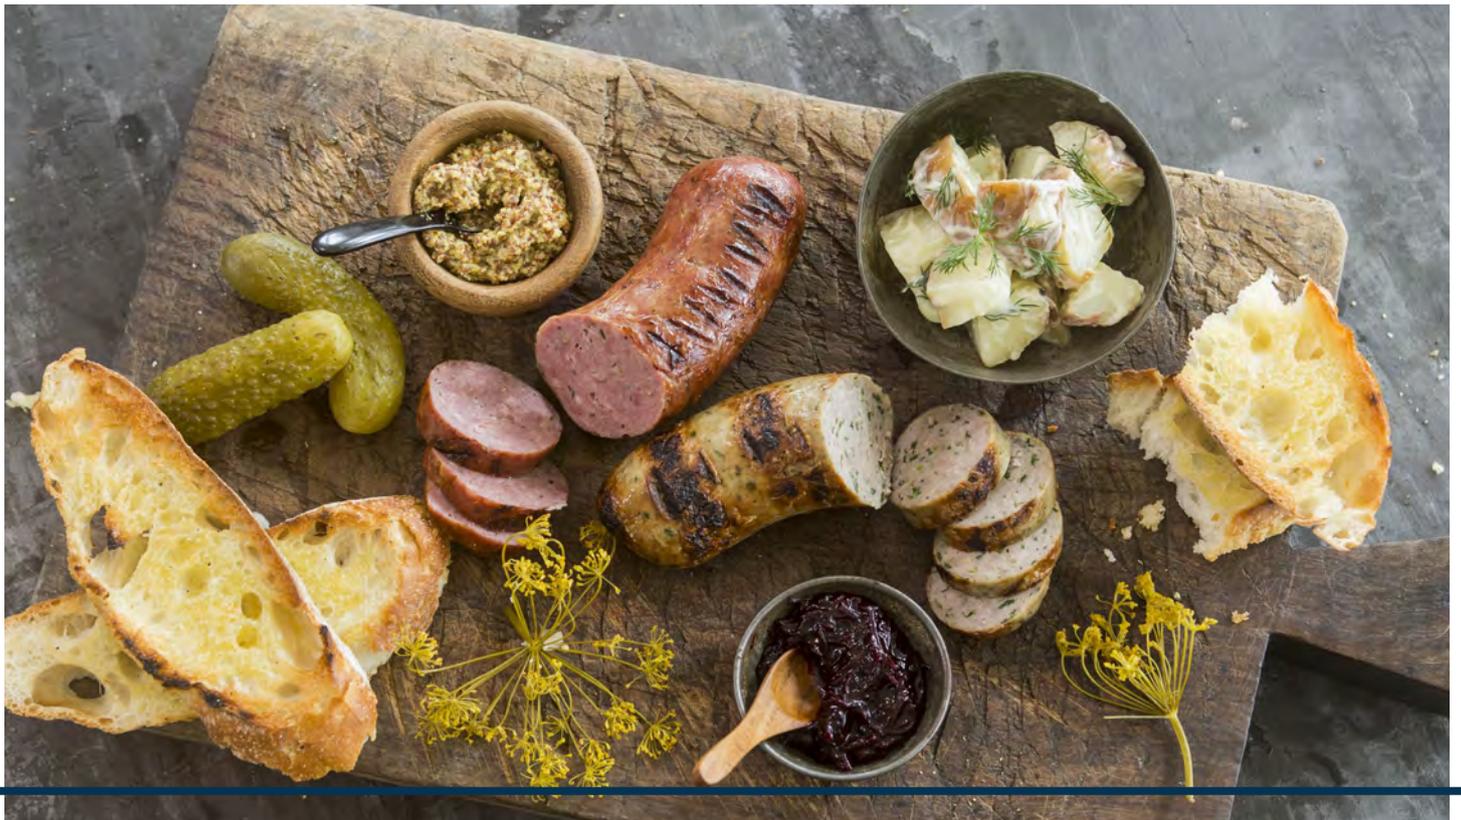

We believe in fusing traditional methods with innovative technologies to create a range of products that are a cut above the rest. As a company we are constantly pushing the boundaries to improve both food preparation and product longevity, while ensuring we equally focus on ways to reduce our environmental impact. Utilising techniques such as HPP-High Pressure Pasteurisation to ensure consistency, longevity and freshness; we are committed to providing you with high end food solutions.

## Artisan

We believe in the integrity, value and experience ingrained in artisan products, that are made honouring traditional practices. We only use the highest quality raw and fresh ingredients without the addition of additives, gums or emulsifiers to ensure we provide you with fresh, delicious food solutions. Each product is handmade by our dedicated team under the instruction of our master butcher to ensure we deliver quality and consistency every time.

## Bespoke

Unique to you and your business. We offer a bespoke service allowing you to stand out from the crowd. Looking for a unique one off product to add to your menu? Why not get in touch and chat to us today. We work closely with our clients to customise and develop products unique to their needs and clientele.
